

2026 PRICE LIST – COACHING

There are three ways to work with me as a coach:

1. Private coaching – for people paying for themselves.
2. Corporate coaching – individual for team managers and C-suite/board level.
3. Corporate coaching – for groups of managers.

Prices for private coaching – people paying for themselves

All sessions for private paying clients are pay-as-you-go.

	30-minute chemistry call	60-minute session	Half-day session	Full-day session
Virtual	FREE	£200	From £600	From £1,200
In-person**	No	No	From £1,250	From £2,500

All fees quoted exclude VAT, travel, accommodation and expenses.

**In-person prices include the travel time of up to 3 hours from BN25 in the UK. Travel time beyond this plus any that require an overnight stay or international travel, will be quoted individually.

Prices for corporate coaching – individual

Executive coaching for director level, board level and C-suite roles. Virtual only.

6-month package	9-month package	12-month package
£3,500+VAT	£5,000+VAT	£6,500+VAT

Management coaching for heads of service, team managers and project managers. Virtual only.

6-month package	9-month package
£2,450+VAT	£3,500+VAT

Prices for corporate coaching – group

The maximum number of people in a group is eight and the minimum number is four. This allows for a good range of views during each 90-minute session. Groups should be based on the similarity of the issues they want to work on. For example, managing change more effectively.

- The four-month programme is 4 x 90-minute sessions once a month.
- The six-month programme is 6 x 90-minute sessions once a month.

Group coaching is virtual only.

4-month programme	6-month programme
£600+VAT per person	£900+VAT per person
